

Great News!

Your church has all the money it needs to operate.

*(The not-so-great news? It is all in **your bank account**.)*

We do not make a lot of appeals for money because our focus is not upon money, but upon relationships — relationships with one another, and leading people into relationship with the Lord. But we live in a real world and churches, like families, need money to survive and grow.

God has a plan to provide the funds needed by the church— He teaches his people to give the ***first 10%*** of their income to the Lord *as a starting point.* The Bible calls that "tithing" and it is not to be done with a calculator, but with a generous heart!

Sounds crazy, doesn't it? Most people are barely getting by on 100% of their income, and yet God says *"Give me the first 10% and I will really bless the remaining 90%."* Here's the thing: it is the only place in the Bible that God issues a dare. He says *"Bring the whole tithe into the storehouse, that there may be food in my house.* ***Test me in this,*** *"* says the LORD Almighty, *"**and see** if I will not throw open the floodgates of heaven and pour out so much blessing that you will not have room enough for it."*

We believe God. We believe Him so much that we are issuing a ***90-day challenge.*** Tithe faithfully. ***Give God the first 10%*** *of your income starting today. At the end of April, if God has not blessed you and provided for you,* ***stop tithing.***
